

Dear Parents/Guardians:

The APPLE Award
**Appreciation and Praise for Providing our Learners with Excellence in education
is the gift that keeps on giving!**

APPLE Awards allow you to acknowledge a special teacher or staff member who has made a difference in your child's education, while also supporting our organization's work to achieve excellence in education. Funds from the APPLE Award Program support the Excellence in Education Grant Program (EEGP), which awards grants to teachers/parents to create new programs to enrich the educational experience of Waltham's public school children.

For a donation of just \$20.00, the teacher or staff person will receive a lovely frameable certificate of appreciation acknowledging your gift in his/her name.

Order one today!

If you would like to make your payment online, visit our website, www.waltham-ebf.org, and click on "Donate". If you are paying online, this form must still be submitted for all purchases!
